Elsa Saade: haha, 12 more minutes to go :)

Maryam Bakoshi: Yes :)

Stephanie Perrin: I have to leave at 9 for the EPDP call, so if we could ask for any questions for me first, I would be grateful

Stephanie Perrin: lost you a bit there...

Martin Silva Valent: yes

Julf Helsingius: Who wants to turn mute off?

Maryam Bakoshi: @Farzaneh, I have done so now

Farzaneh Badii: Thank you Maryam

Martin Silva Valent: !!!

Martin Silva Valent: :-)

Stephanie Perrin: Let's be clear....there is a ton of work being NCSG Chair, and I think one starts out with great intentions but then winds up diverted by the tedium of day to day emergencies.

Stephanie Perrin: So I will be trying to enhance our team approach.

Tapani Tarvainen: Rafik: are you going run for Council Chair?

Farzaneh Badii: the NCPH has to nominate him Tapani

Farzaneh Badii: it's not what he wants :)

Tapani Tarvainen: I know how the process works. He still has to want it himself, too.

Stephanie Perrin: sorry, lost the connection, what was the question

Farzaneh Badii: I asked what his plans are in training the next gen leaders . since we need candidates to run for positions and hold positions ...

Farzaneh Badii: next gen is the wrong term. next batch of leaders

Farzaneh Badii: I thought I correct myself :)

Farzaneh Badii: weren't we ICANN fellows together?

Martin Silva Valent: I was!

Martin Silva Valent: :-)

Martin Silva Valent: in case anyone has more question you can write me at mpsilvavalent@gmail.com

Ayden Férdeline: Elsa has also been vocal from day 1; I remember even in Helsinki (ICANN 56) she took the mic at a public forum

Claire Craig: Thankd Ayden. that is good to know. I wasn't at Helsinki, my first ICANN was ICANN 58

Elsa Saade: thanks Ayden! Happy to know that this is not forgotten!

Elsa Saade: And Thanks Claire and Farzi for the great questions

Maryam Bakoshi: ballot will be from tally@icann.org

Ayden Férdeline: thanks for chairing the call Farzi; thanks everyone and thanks to candidates for taking our questions
