ICANN68 Virtual Meeting Survey (2)

PARTICIPANTS IN THE SURVEY

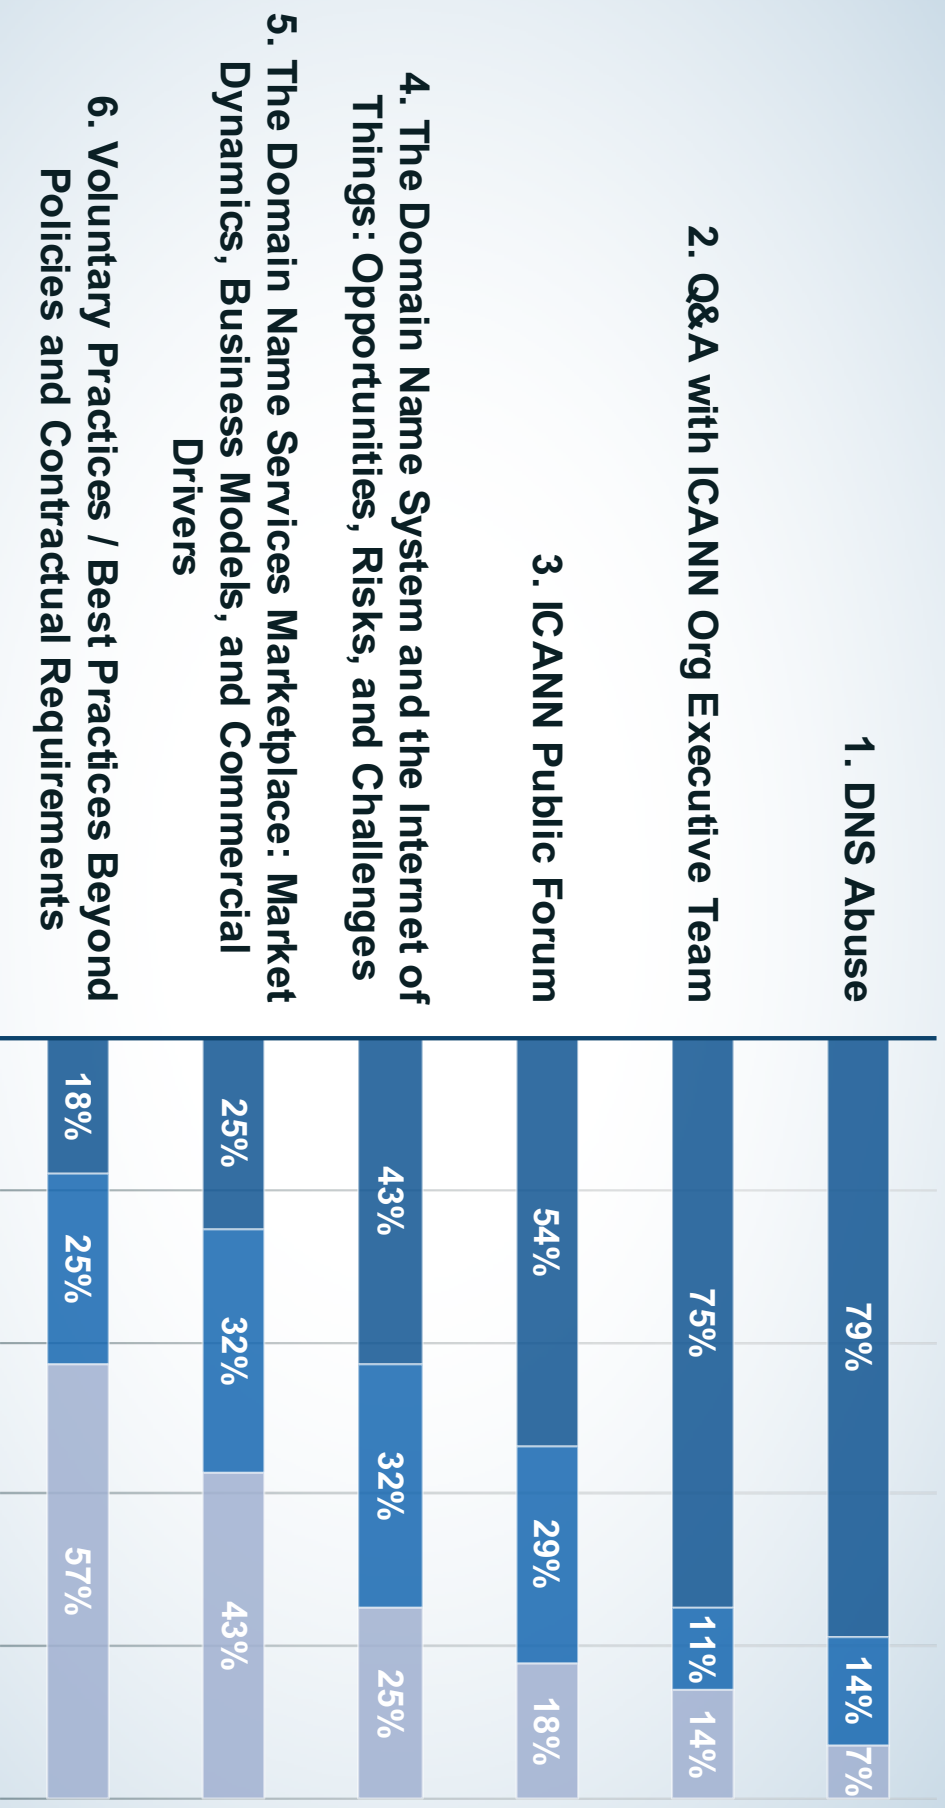

ICANN68 Virtual Meeting Survey (2) – Overall Support

Do you support a virtual ICANN68 that focuses on key plenary and cross-community engagements, with an alternative schedule for working group meetings?

Survey Results – Preferred Topics

■ Hold Session at ICANN68

■ Postpone until ICANN69

■ No Preference

Survey Results – Other Proposed Topics

1. PPSAI Restart, Contractual Compliance Session

2. DNS Misuse, Malicious and Misleading Registrations during the COVID-19 Crisis and How to Mitigate the Impact on Safety and Consumer Trust

3. WHOIS EPDP Phase II

4. Status Update on Evolution of the ICANN Multistakeholder Model (Brian Cate, ATRT3, et al)

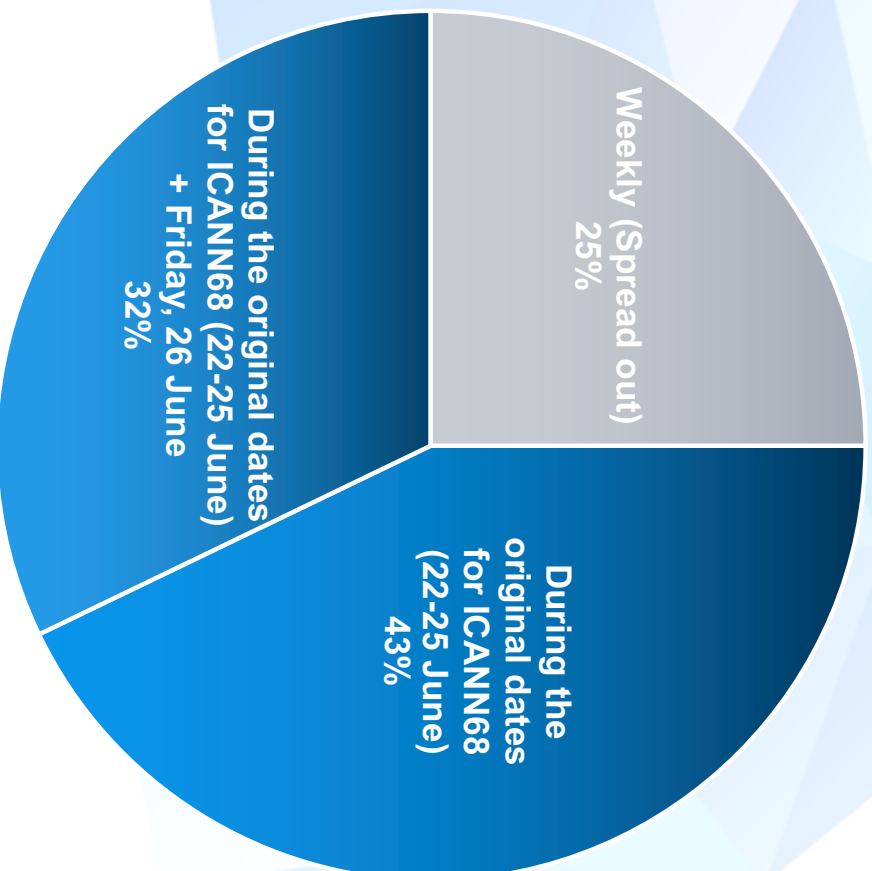

5. ATRT3, Specific and Organizational Reviews

6. The Outcomes of Subsequent Procedures for End-users - Next Steps

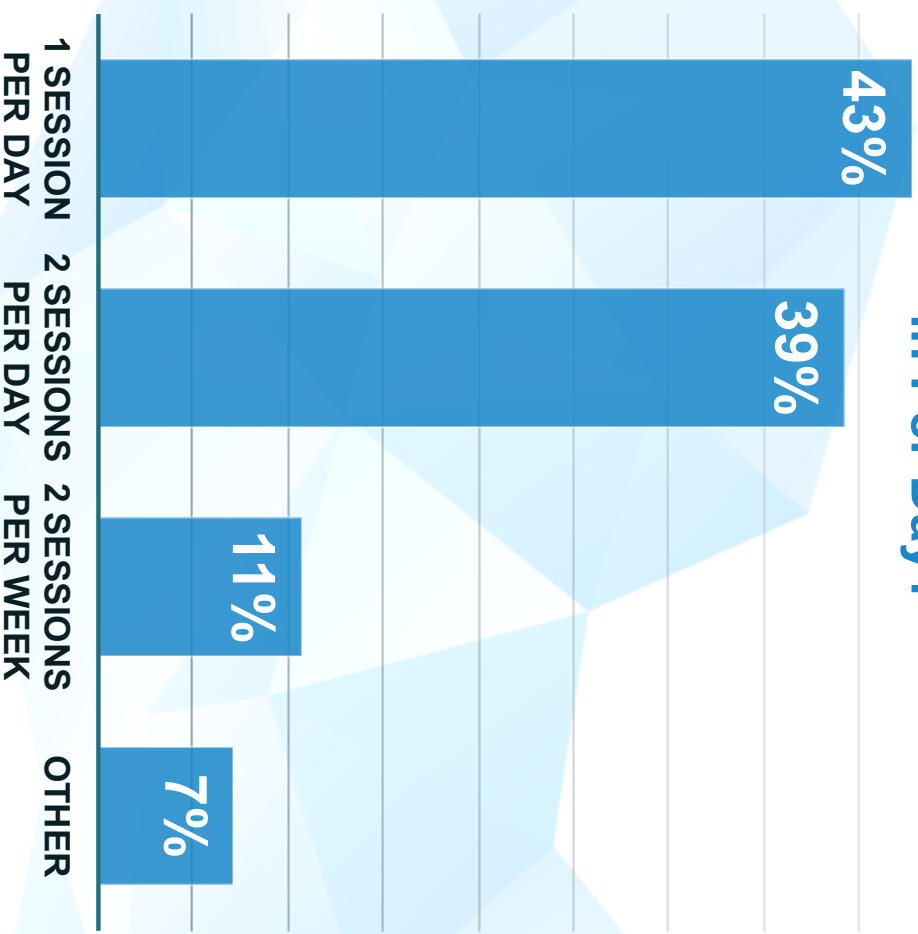

7. The world has been enormously impacted by Covid-19. This has implications for almost every facet of our lives. ICANN 68 is a perfect opportunity to host a structured, cross-community discussion on the temporary and longer-term impacts of the pandemic including but not limited to business impacts and cyber-security.

Survey Results - Meeting Dates and Sessions per Day

What Dates Should Cross-Community Plenaries be Scheduled?

What is the Maximum Number of Cross-Community Plenary Sessions you Would Participate in Per Day?
