To the Members of the NCSG Policy Committee and Executive Committee,

I would like to recommend Benjamin Akinmoyeje for the NCSG ICANN82 Seattle Travel Slot. Benjamin Akinmoyeje has consistently demonstrated leadership and commitment to advancing the values of the NCSG. Through their work as NCUC chair and NCUC policy forum, they have successfully increased community engagement and facilitated meaningful policy discussions.

I have no doubt that Benjamin will use the travel opportunity to continue to elevate the work of the NCSG, ensuring it remains a strong advocate for non-commercial users worldwide. I strongly endorse their application.

Sincerely,  
Tomslin Samme-Nlar  
NCSG Policy Committee Chair
