DNS Abuse Mitigation PDP1 Enrollment Instructions

Please do not forward these instructions to anyone else.

For participants designated by your respective groups, please follow these instructions. Please note that enrollment through ICANN Join means you acknowledge the PDP's requirements for Statement of Participation, that you will create or update your GNSO Statement of Interest, and abide by ICANN's Expected Standards of Behavior. Please enroll no later than **09 FEB 2026**.

ICANN Join Instructions:

1. Login to ICANN Account and access ICANN Join (first time user instructions are provided below).
2. Review and update your profile in the "My Contact Information" tab, per the instructions linked below.
3. Navigate to the "Join Groups" tab and scroll down until you find the "DNS Abuse Mitigation PDP 1 Working Group".
4. On the right pane, please select "No" to the question about "Observer Email-Only" and then enter the following enrollment code "A3l9V7O6pB#e".
5. Select the appropriate Participant Type assigned to you by your group's leadership team (Member, Alternate, or Participant).
6. In the Reason for Joining section, please indicate "I was selected to represent my group [insert group affiliation (ex. RySG, ALAC, etc)].
7. Follow the remaining steps to complete your enrollment.
8. Follow the GNSO Statement of Interest instructions below (required).

Once staff have confirmed and processed your enrollment, you will receive a notice of being subscribed to the PDP's mailing list.
